

Color Class

Pre-K – 2nd Grade

Color Class is designed for pre-K through second grade and will last for 10 weeks and be posted on Mondays. There will be an activity worksheet and a reading book that will together teach colors and their correspondence. Each weekly class will cover coloring, reading, writing, spelling, physical activity, and other activities. A correspondence journal will be completed at the end of the class which will operate as a study guide for colors.

A recommended schedule:

Day 1 – read book and color pages using only the weekly color and their shades.

Day 2 – Write spelling words (print for younger kids, cursive for older kids)

Day 3 – Read book and do weekly activity.

Day 4 – Complete Physical activity.

Day 5 – Read book and make journal page.

As with all things Pagan please read assignments in advance to make sure your beliefs follow the line of thought presented. Feel free to add, take out, or change anything to make lessons fit your family better.
