

Teen Pagan Writing

Teen Pagan Writing class will consist of 7 weeks where pagan teens (or at a high school level) will learn to write different Pagan writings; entries, chants, prayers, spells, devotions, ceremonies, and rituals. Although classes will be posted weekly feel free to stagger them as you see fit. Latter classes will take a lot of work and more time may be needed. The class does contain outside links. There is no grading rubric or plans for this class, it is meant to be a self-accomplishing environment. Each class will contain a pdf that you can print and give to them or they can read straight off the computer. It is high hopes that the teens enjoy this class!
